International Workshop on Advanced Intelligent Fuzzy Systems

Function Room, 4th Fl., Seacloud Hotel, Haeundae-Gu, Busan, Korea

May 28th (Fri) to 30th (Sun), 2010

A workshop IWAIFS2010 (International Workshop on Advanced Intelligent Fuzzy Systems) is organized in honor of Prof. Michio Sugeno’s retirement of academic duties. The program is composed mainly of invited talks. We would be extremely glad and honored if you could come, deliver a lecture, and be part of the ceremony.

Technical topics of the workshop include but are not limited to:

- Fuzzy Systems
- Fuzzy and Neural Systems
- Soft Computing
- Control Theory and Applications
- Data Mining
- Network-based Control
- Intelligence Control
- Neural Networks
- Data Fusions
- Human-computer Interface
- Evolutionary Computing
- Multi-agent Systems
- Network Security
- Mechatronics
- Signal and Image Processing
- Motion Control
- Robotics
- Learning Systems

Either one page (extended) abstract or complete manuscript is requested to submit electronically to “gkpark@mmu.ac.kr”

It will be reviewed and be included in the workshop CD proceedings.

For the one page (extended) abstract, please include title, author’s name, affiliation (with contact address), (extended) abstract, and keywords.
